

NEW MEMBERSHIP PRICING FAQs

Objective

To communicate the revised membership cost structure to all members and stakeholders in a clear, transparent, and timely manner, ensuring understanding and support for the changes.

What is Changing?

Membership fees are being updated to better serve our members and sustain the Association's goals.

New Fee Structure:

\$35 per month (plus GST) for all businesses.

\$10 per month (plus GST) for any additional memberships for the same business.

Why is This Change Necessary?

To simplify the fee structure for businesses.

To align membership fees with the Association's objectives and ensure long-term sustainability.

NEW MEMBERSHIP PRICING FAQs

When Will This Take Effect?

The new fee structure will be implemented starting Monday February 10th, 2025.

How Will This Affect Members?

Members will see the updated fees reflected in their billing from the effective date.

Additional support is available for members with questions or concerns.

Direct Member Support

We understand that each of our members have different requirements and we are here to provide support during this transitional phase.

Timing: Ongoing, starting 31/01/2025.
